

COMPANY INTRODUCTION

ivac

We stand with quality

COMPANY

iValve factory **started since July-2015** in a rented workshop.

in **2021**, we bought and funded our current production line in a **new and modern facility with area of 13,000 m²**, which is fully comply to the quality management system **ISO9001:2015**, and environment management system **ISO14001:2015**

COMPANY

 **110 million RMB**
15.7 million USD
yearly turnover 2023

 **+45**
exporting countries/areas

 **+20,000 pcs**
monthly production capacity

85% for exporting
15% for domestic

42% -Europe

25% -Middle East & North Africa

10% -Asia

8% -South America

15% -Domestic market

Certificates

WRAS (UK)

Suitability of non-metallic products for use in contact with drinking water, in compliance with the BS 6920-1 / 2000 standard

Resilient Gate Valve
DN50-400

AWWA C515 Resilient Gate Valve
DN50-300

Metal Seated Gate Valve
25 bar (DN50-300), 10 bar (DN350-500)

ACS (France)

Health approval certifying materials and equipment in contact with water intended for human consumption

Resilient Seated Gate Valve
DN40-1000

Double Eccentric Butterfly Valve
DN100-1800

EN1074 (ICIM ITALY)

In compliance with the standard:
UNI EN 1074-1:2001 - UNI EN 1074-2:2004
UNI EN 1171:2015 - UNI EN 593:2017

Resilient Seated Gate Valve
DN50-350

Double Eccentric Butterfly Valve
DN100-1600

CE (ECM)

related to CE Directive(s): 2014/68/EU (Pressure Equipment)

Resilient Seated Gate Valve
DN40-600

CNAS

local approvals

中国认可
国际互认

Products

brief intro

flanged connection

DN40-1200, DIN-F4/F5, BS5163

AWWA C515 RSGV

DN50-400

Rising Stem, OS&Y

DN40-600

Socket end for PVC pipe

DN50-300

Spigot end. DN50-300

for PVC/DI/AC pipe

Service Valve

(F/F, F/M) DN20-50

Metal Seated Gate Valve

we stand with quality

www.tongyuanflow.com

Swing Check Valve
45° Flexible DN50-700

Swing Check Valve,
DIN/BS/ANSI, DN50-900
Rubber seated/Metal seated

Swing Check Valve, DN50-700
Rubber seated/Metal seated

Ball type Check Valve
flanged DN40-500
screwed DN28-80

Vertical Silent Check Valve
Nozzle nonslam Check Valve

Titling Disc Check Valve

Wafer Check Valve
Dual plate DN40-900

Flap Valve
DN40-600

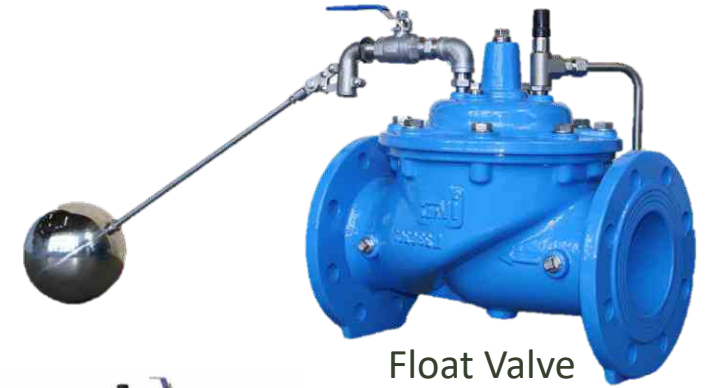

we stand with quality
www.tongyuanflow.com

Pressure Reducing Valve
with low flow rate bypass

Surge Anticipator

Float Valve

Float Valve
Bi-lever

Pressure Relief / Sustaining
Control Valve (PRSV)

Pressure Differential

Flow Control

Altitude Valve

we stand with quality
www.tongyuanflow.com

Double Eccentric
bi-directional sealing
DN100-2000

Gear +el.actuator

Gear +ISO top flange
c/w handwheel

Manual Gear
c/w handwheel

Concentric type
Wafer/Lug/Flanged
DN40-1200

we stand with quality
www.tongyuanflow.com

Single Orifice
two function, SS304 ball

Double Orifice
Triple function, SS304 ball

Double Orifice
Triple function, ABS ball

Nonslam Air Valve
Combination, 4 functional

Single Orifice Air Valve, 1"
c/w flange DN40-65

Sewage Air Valve

Products

"Y" Strainer
DN40-800

"T" Strainer
DN50-400

BS750 Hydrant
Underground. DN80

Foot Valve
DN50-400

Other Valves & Fittings
